

Sewer Operating Fund Budgeted Rates for 2014

<u>Meter Size</u>	<u>2014 Rate</u>	
	Fixed Fee	\$/1000 Gallon
5/8	\$ 77	\$3.86
3/4	\$ 155	\$4.23

Rates vary with water supply meter size. The Fixed Fee is charged to all customers, regardless of the amount of water consumed. The cost per thousand gallons is charged in addition to the Fixed Fee, based on water consumption as reported to Abington by Aqua Pennsylvania. Annual cost for current median household usage of 52,200 gallons = \$279.00 per year.
