- The Township/County bill is mailed the first week in February each year. The tax is for the period of January 1 to December 31. This bill includes the following:
 - Township real estate taxes which includes the fire tax, and the sewer and refuse fee. The sewer fee is based on the meter size and volume of water that is used each year. The refuse fee is based on the size and number of trash containers you use.
 - Montgomery County real estate taxes.

- The Abington School District tax bill is mailed the first week in July each year. The tax is for the period of July 1 to June 30.
 - Property Tax Relief - Abington Township residents receive a homestead tax reduction on their primary residence. All applications for the homestead exclusion must be received by the Board of Assessments on or before March 1 to be eligible for the reduction on the school real estate tax bill.
 - You are not required to file each year once you have been approved for the homestead exclusion. You would need to re-apply if you move or the title of the property changes name. Forms can be obtained on the Montgomery County website (montcopa.org) or contact the tax office at 267-536-1024.

- Assessment
 - Abington Township does not assess your property. This is done by the Montgomery County Board of Assessments. The last time a county-wide reassessment was done was 1998. A property's assessment can change up or down for various reasons. Increases to a property assessment might include: in-ground swimming pool, addition, central air-conditioning, decks, etc. Decreases to a property assessment might include: removal of in-ground pool, demolition of deck or garage, etc.
 - Interim tax bills will be prepared and mailed to the homeowner based on all increases or decreases to the assessed value of your home.
