Phone: 267-536-1088 Fax: 215-884-8271

ABOVE and UNDERGROUND STORAGE TANK(S) INSTALLATION and REMOVAL

AGST and UGST installation and removal work must be in completed in accordance with NFPA regulations, the International Building Code and the requirements of the PA DEP Storage Tank Regulations.

The installation or removal of tanks shall be by a recognized contractor who is an experienced specialist in both installation and removal of either underground or above ground storage tanks.

**ABGST and UGST Permit* application must include all of the following documents:
Removal**

- 1) Plot plan showing location of tank and associated piping**
- 2) Copy of the contractors PA DEP Certification**
- 3) PA One Call notification prior to start of the project**
- 4) Upon completion of the removal a Closure Report must be submitted to the Office of the Fire Marshal in a timely fashion**
- 5) Copy of executed work contract, scope of work.**

Installation – Permit Issued by Code Enforcement Department. Please call 267-536-1016.

The contractor or designee will pay any fees that are required before the start of the project. Fee schedule attached plus \$4 State Mandate

The Fire Marshal must be contacted to perform all required inspections as outlined in the applicable NFPA Code.

Additional information is available at www.state.pa.us, Keyword: DEP Storage Tanks.

Please contact the Fire Marshal's Office with any questions.

*** The Fire Protection Systems Permit Application form can be found on the internet at Abington.org. Select Departments, select Fire, and select Permit applications and Forms**
